

JUMPSTART THEIR FUTURE

ANNUAL REPORT
2017-2018

"Going on a field trip to the UC Botanical Gardens is a highlight of the Kindergarten experience made possible by a Classroom Grant.

I hope to continue this tradition for years to come!"

Benjamin Wilkins-Malloy, Berkeley Arts Magnet Teacher

DEAR SUPPORTERS

2017-2018

BERKELEY SCHOOLS

**ESTABLISHED THE
LEGACY FUND TO GROW
AND SUSTAIN SUPPORT
FOR BERKELEY SCHOOLS**

**GRANT MAKING GREW
BY 10% PER YEAR OVER
THE LAST 5 YEARS**

“Teaching is like putting your hand on someone’s heart and leaving it there.”

*– Hasmig Minassian, Berkeley High Teacher
and Universal 9th Grade Leader*

At the center of what we do is inspire and empower teachers. We want teachers to have the ability to affect powerful change for their students and for students to have a lasting memory of the lessons, big and small, from their teachers.

We hope that the pictures in our 2017-18 Annual Report convey Hasmig’s metaphor for teaching and illustrate what happens when teachers ask us to help make their ideas and hopes for their students a reality.

Whether it’s the four students absorbed in their experience at the Academy of Science (cover), kindergarteners spending the day at the Botanical Gardens (opposite page), a student receiving books to take home for the summer to maintain her achievement level in reading (p. 5), elementary students learning environmental science in their local creek (p. 6), or photography students visiting Yosemite (p.8), Schools Fund donors make those projects and lasting experiences a reality for students.

Year after year, the Berkeley community rises to the challenge of supporting its public schools. We look forward to another year of inspiring and empowering teachers and THANK YOU for making it possible.

CHAIR, BOARD OF DIRECTORS

TEACHERS ASKED, AND YOU GAVE!

Every year, we award Schools Fund grants to over half of the teachers in the District. From field trips to STEM activities and classroom art projects, we support teacher creativity in order to fully engage all students in learning. This year, we awarded a total of 367 Classroom Grants, Strategic Impact Grants and Summer Teacher Fellowships. From preschool to high school, we are providing the academic support and enrichment that contributes to the success of every child.

PROGRAM FUNDING BY SUBJECT

GRANT FUNDING BY GRADE LEVEL

READING FOR ALL

Research shows that summer vacation contributes to the achievement gap in schools. To make reading and learning equitable year-round, we've partnered with Friends of the Library, a non-profit supporting Berkeley's public libraries, to fund the Summer Slide Project. Every year, first and second grade students are identified to pick 10 free books at the beginning of the summer to take home and keep as their own. With the annual Summer Slide Community Partner Grant, we hope to make an impact on 3rd grade reading levels which can positively affect future academic success in all areas for our students!

"It is incredible to witness the excitement on book shopping day. The students love that they get to choose the books and that they get to keep them!"

Joal Arvanigian, District Literacy Coach

"I am now empowered to bring my students to the creek with a scientific and environmental focus."

Asucena Davila, Thousand Oaks Teacher

STUDYING THE LOCAL CREEK

Thousand Oaks Elementary K-3rd grade teachers received a Strategic Impact Grant to develop a hands-on science curriculum using one of the unique features of their school site: Blackberry Creek. The new curriculum allows students to measure and analyze water pollutants and present their findings to the local community. Teachers can now teach hands-on environmental science on-site and students can discover the real impact, positive and negative, that they can have on their local environment.

"After 14 years of teaching, I was able to teach the Physics class of my dreams!"
Vicki Augustine, Berkeley High School teacher

NEW PHYSICS LAB AT BHS

A Strategic Impact Grant helped to create state-of-the-art, technology-rich "labs" for the new Universal 9th grade Physics 1 class. The Physics 1 curriculum was designed to offer students "a hands on, minds-on" course that emphasizes inquiry and investigation. The Strategic Impact Grant equipped 60 labs, each designed to hook students and to cultivate an enthusiasm for science that will reverberate into subsequent years in their chemistry and biology classes.

ART IN THE SIERRA

Every year, the Berkeley High School Photography class takes a trip to Yosemite National Park to expand their photography skills. Thanks to a generous Schools Fund donor, students get to be inspired by one of the most beautiful places on earth.

BERKELEY HALF MARATHON

The 2017 Berkeley Half Marathon Schools Fund Team had 68 runners who ran an impressive half marathon, 10K, and 5K while raising money for all of Berkeley's public schools! We are grateful to our incredible runners and to the Berkeley Half Marathon for our 5th year of partnership and perks!

SPRING LUNCHEON

We celebrated our 35th anniversary at our annual Schools Fund Spring Luncheon! This year's theme was "Rising Voices, Rising Leaders," celebrating student leaders at Berkeley High School, and honoring King Middle School history teacher, Mikko Jokela, and Longfellow Middle School counselor, Rosina Keren, both of whom instill their students with the belief in their own power to make positive changes, starting within themselves and spreading to their school community and beyond!

*We are deeply grateful
to our donors. If we have
inadvertently omitted your
name, mis-printed your name,
or mis-categorized your
gift, please let us know by
emailing Valerie Kratzer at
valeriekratzer@berkeley.net.*

"It's important to us that all Berkeley students, today and tomorrow, can experience an enriched education and become thoughtful members of our community and democracy."
- Abigail Smith and Dave Hoverman, Legacy Fund Founders

LEGACY FUND

For our 35th anniversary, the Schools Fund established a Legacy Fund. The Legacy Fund will ensure that we can sustain the valuable support we provide to Berkeley schools predictably and reliably for the long-term. Your legacy gift will enrich children's lives for generations to come while providing tax savings for your family. If you are creating or updating your will and would like to include a future gift to the Schools Fund, contact us today to learn how you can make a difference for our public schools.

.....

YOUR LEGACY THEIR FUTURE

.....

"We've committed 35 years to help support public education in Berkeley and we want to make sure that our students and teachers have that support for another 35 years."
- Mary and Stan Friedman, Legacy Fund Founders

HOW YOU CAN HELP

Donate! Become an Annual Donor or a Monthly Sustainer.

Volunteer and help a teacher or a program at a school.

Give to the Legacy Fund.
