This year's Spring Luncheon theme is "Pathways to the Future," honoring **Wyn Skeels**, Career Technical Education Program Supervisor, for his work in developing educational pathways at Berkeley High for careers connected to Bay Area industries and trades; and **Michael McLaughlin**, BUSD preschool teacher, for his work in helping set a solid foundation for our youngest students.

Announcing our 2019 Summer Teacher Fellows!

We are happy to announce our 2019 Summer Teacher Fellows! Summer Fellows apply for summer travel that broadens and re-energizes their teaching and offers something to share with their classroom and school upon their return in the fall. For example, 2018 Summer Fellow and Thousand Oaks Elementary teacher, Bob Garrison, traveled with colleagues Jennifer Wendel and Robin Bogoshian to Oaxaca, Mexico to be immersed in the language and culture in order to foster better connections with their Spanish-speaking Thousand Oaks students and families.

Congratulations to our 2019 Summer Teacher Fellows:

Carla Inniss, *Oxford Elementary*: Visit to the National Museum of African American History and Culture and the National Museum of the American Indian Research in Washington, D.C.

Ruby Palmer-Ghose, *Berkeley Arts Magnet Elementary*: Art, Culture, and Spanish in Mexico with her colleagues Suzanne Wright and Marcie Thomas.

Alex Rice, *King Middle*: MakerED Summer Institute for two King teachers.

Abigail Rohr, *Jefferson Elementary*: Art, Culture, and Spanish in Colombia.
