

Where Do I Go for Vaccinations?

Most primary care physicians' offices will be able to take care of the required vaccinations for you.

Free or Low-cost Vaccinations

Free Flu Shots & TB Tests

The *Berkeley Free Clinic* offers free TB tests and flu shots, usually by appointment. Call (510) 548-2570 for hours and details. The Free Clinic is near the Cal campus, at 2339 Durant Avenue. They are also online at berkeleyfreeclinic.org.

Sliding Scale TB Tests, Free Flu Shots + Immunizations

The *Berkeley Department of Health and Human Services* offers sliding scale (based on income) TB tests, free flu vaccinations and \$26 vaccinations (including MMR and Tdap). Call ahead for days/hours: (510) 981-5350. They are located at 830 University (cross street: 6th).

Cal Students

You can get flu shots, TB, and other immunizations at Cal's Tang Center. Appointments are needed for all vaccines. Schedule online: etang.berkeley.edu or call (510)643-7177. There is usually a fee associated with vaccines.
