

On May 21, the Schools Fund is inviting the entire Berkeley community to a Block Party in the heart of Downtown. Come celebrate our educators and the thousands of community members, including YOU, our Schools Fund volunteers and donors, who carried our schools through the past two years!

At the event we'll unveil a vibrant mural commissioned by the Schools Fund, created by Berkeley High alums and dedicated with love to our devoted educators through the pandemic.

Your sponsorship of this high-profile, community-wide event will support equitable public education in Berkeley through the Schools Fund's grant and volunteer programs. YOU make the difference in Berkeley schools.

The Schools Fund relies 100% on contributed income to provide our annual support to schools. The need for that support is greater than ever. Please pledge your sponsorship today!

2022 Spring Fundraiser Sponsor Benefits
